Evoking the beauty of the natural stone, the foundation of Pacific Industries Ltd was built up in the year 1989 as 100% export oriented company by eminent industrialist Mr. J. P. Agrawal in order to propagate an innovative idea of service in stone market. Engaged in the quarrying, manufacturing and supplying of Indian Natural Stones and exploring the intrinsic character of granite, we carefully select our collections from an ample range of exotic stones of different colours and textures. Processing by sophisticated machine, professional craftsman and rigorous procedures, the natural stones are brought to you with our heart and soul to adapt to the latest trend of the design of the dream architectures.

We are exporting our products like slabs, tiles and cut to size to over more than 40 countries. We have 2 processing units each at Bangalore and Udaipur

City	Gang Saws (Granite)	Multi wire	Cutter	Epoxy Line	Line Polishing
Bangalore	7	69 wire (Gasperi)	-	1	3
Udaipur	3	59 wire (Breton)	3 - Multi Blade 3 - Single Blade	3	3

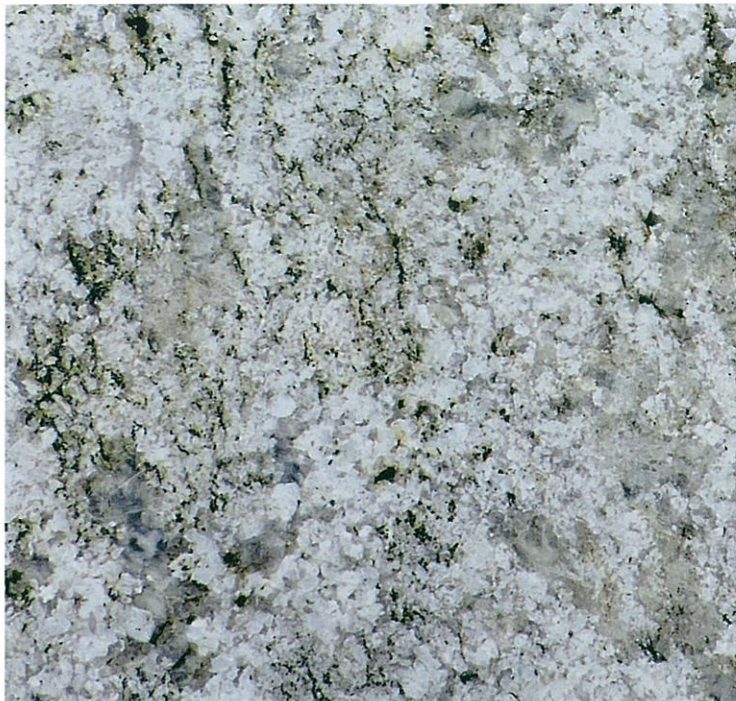

We make sustainable efforts to provide elegant and durable varieties of stones across the world. We are working with a professional team who establishes and maintains to deliver the highest-quality products and warmest customer service. Keeping innovation in mind we have processed innovative materials and finishes based on the most fierce market competition. Besides supplying to distributors, we have supplied to international projects some of them are as follows-
