

between and CBDT

CBDT in its statement said that the case against the company was "under section 68 of the Income Tax Act on account of unexplained cash credits and not under section 56(2)(viib) on account of premium on shares, as has been alleged".

"Thus, it is clear that the case of Travel Khana is not covered by the instruction issued by CBCT of December 24, 2013, prohibiting coercive measures for enforcing recovery of outstanding demand in angel tax cases, as the addition was made under section 68 of the IT Act and not under section 56(2)(viib)," the CBDT said.

Singh in his blog said that the company didn't engage in any cash transaction as investment.
